Transmission Line

AusNet Services is currently undertaking a range of surveys and geotechnical investigations to finalise in the transmission line design.

Once the design is complete an updated map with the transmission line route will be made available.

AusNet Services is meeting with landowners to understand more about the operations of each landowner, and to discuss the line design and planned construction activities.

Community Engagement

Community Engagement Officer Appointed

GPG is pleased to welcome Debra Dumesny to the role of Community Engagement Officer for the Ryan Corner and Hawkesdale Wind Farms. She is a local to Hawkesdale, having lived in the area for more than 30 years, and brings a wealth of knowledge to the role and will be a valuable asset to the team.

Debra will be dedicated to both projects with splitting her time between the communities of Ryan Corner and Hawkesdale Wind Farms. Please feel free to contact Debra Dumesny at debra.dumesny@globalpower-generation.com.au.

Temporary Office at Hawkesdale

GPG will soon open a temporary office located at the former Hawkesdale Pre-school room within the Hawkesdale Memorial Hall where our Community Engagement Officer, Debra will be available until construction offices are established at each site.

Community Engagement Committees

Moyne Shire Council has established Community Engagement Committees (CECs) for the Ryan Corner Wind Farm and Hawkesdale Wind Farm projects. CECs are administered by Council, and comprise Council, GPG, and appointed community representatives. The general purpose of the CECs is to develop productive working relationships and facilitate communication between developers, Council, the community and other stakeholders.

The first CEC meetings were held on Monday, 15 March and meetings will be held monthly.

Local Accommodation for Construction Workers

As construction commences, temporary accommodation will be required for workers. If you have a property that could be used as temporary accommodation for workers, please contact our Community Engagement Officer, Debra Dumesny at debra.dumesny@globalpower-generation.com.au.

Local Services for Construction

GPG is working with its contractors to identify services may be able to be contracted locally during construction.

Both GPG and Vestas' preference is to work with **local suppliers and manufacturers** where possible, provided they can meet a range of deliverables including safety, quality, reliability, timeframe, and cost. Vestas is proud to share that the services related to transportation, crane work and installation of the projects heavily **engage with local workers**. In addition to this, the long-term maintenance and operation of the Ryan Corner and Hawkesdale Wind Farms will create **several regional and permanent jobs**.

If you are interested in offering your services, please contact our Community Engagement Officer, Debra Dumesny at debra.dumesny@globalpower-generation.com.au.

Employment Opportunities Creation

Victoria's booming renewable energy industry creates regional, contractual, and permanent employment. According to Australia's Clean Energy Council Renewable Energy Report in 2020, "Renewable energy was responsible for almost 23,000 jobs across the construction, operations and maintenance, and rooftop solar installation sectors in 2019".

Please contact our Community Engagement Officer, Debra Dumesny at debra.dumesny@globalpower-generation.com.au if you are interested in working at Ryan Corner or Hawkesdale Wind Farms.

Our main contractor, Vestas, is always looking for skilled and passionate people to join our world-class team. Learn more about our upcoming opportunities at <https://careers.vestas.com/>.

Moyne Shire Council's Love Local Campaign

GPG is proud to have been a **Gold Sponsor** of the Moyne Shire Council's Love Local Campaign.

The **Love Local Campaign** saw Moyne Shire locals enter the **Moyne Escape Packages** competition, which offered more than \$10,000 in prizes, consisting of a voucher to a local country hotel in Moyne Shire and a voucher for a local tour/experience. Shoppers who spent \$20 or more at a business in Moyne Shire could enter the competition. The final Escape Package campaign was drawn on March 12th. GPG would like to congratulate all the winners who took home a voucher.
