

Ryan Corner Wind Farm

Weekly Construction Report October 17, 2022

Site Compound:

We have moved into offices at the site compound. Decmil/RJE and other contractors are on site. There are individual office areas for each of the companies, shared lunch rooms and amenities as well as dedicated meeting rooms.

Batch Plant:

Earthworks continue for the on-site batch plant. Handover to the BOP contractor should occur by the end of this week and the batch plant setup can begin

Spine Road:

Plant continues to arrive on site as work progresses from both the east and west sides of the site. There are currently 14 excavators on site and working each day. The mobile crusher is working alongside the excavations.

Hardstand and Foundations:

Excavations have commenced for three turbine locations.
