Ryan Corner Wind Farm

Project Update

Planning Permit and Development Plans

- ✓ Planning permit 20060222-2 has been extended to a completion date of 30 August 2024.
- ✓ The development plans have been updated and endorsed.

Wind Farm

- ✓ All turbine foundations have been poured and the batch plant site has been restored.
- ✓ Civil works are completed and a team remains on site to maintain the access tracks and hard stands.
- ✓ The civil contractors are demobilising from site and some buildings have been removed.
- ✓ Trenching for the underground cabling is completed.
- ✓ Permanent gates and fencing are agreed with landowners and are progressing.

Transmission Line, Collector Substation and Tarrone Terminal Station

- ✓ Civil contractors have demobilised and removed their site compound at Tarrone terminal station.
- ✓ Energisation of the transmission line successfully occurred in December '23.
- ✓ Weed spraying along the access tracks has been completed.
- ✓ Ryan Corner collector sub-station:
 - 132kV yard is completed.
- ✓ STATCOM (STATIC synchronous COMPensator) installation in progress:
 - 33kV yard.
 - Operations and Maintenance building being fitted out.
 - Warehouse under construction, cladding and slab completed.
 - Switch room being fitted out and cabled.

Weekly Construction Updates

Weekly construction updates available on the Ryan Corner web site, follow the link: [Ryan Corner Wind Farm Progress - Global Power Generation \(globalpower-generation.com.au\)](https://ryancornerwindfarm.globalpower-generation.com.au)

Construction Work Hours

- ✓ Monday to Friday: 7am to 6pm
- ✓ Saturday: 7am to 4pm (regular)
- ✓ Sunday/Public Holiday: 7am to 1pm (occasional as required)

Saturday afternoon (1pm to 4pm) and **Sunday/Public Holiday**, works will be restricted to “managed impact” and “low impact” works as defined by the **EPA guidelines**.

Sunday works commenced each week from November 6 2022.

The purpose of weekend work is to reduce the overall construction duration, and subsequently the duration of impact on the local community. If you have any concerns or queries, please contact Debra Dumesny 0428 867 646 or debra.dumesny@globalpower-generation.com.au

Community Engagement and Benefit Sharing

Community Engagement Committee (CEC)

The CEC plays an important role in ensuring that the communication between GPG, Moyne Shire and the community is open and clear. The feedback received from the community through the CEC has led GPG to make changes to activities on the wind farm to increase the safety and well being of the community. GPG appreciates the valuable input from the community.

There are currently **3 community representative vacancies** on the **Community Engagement Committee (CEC)**. This committee plays an important role in ensuring information is shared between the community, the Moyne Shire Council and Ryan Corner Wind Farm. **Information on how to apply for a position on the committee is available at Ryan Corner Wind Farm (moyne.vic.gov.au) or by contacting Council on 1300 656 564.**

The Ryan Corner Wind Farm CEC December meeting was held. The next meeting is scheduled for February 2024. Minutes from all **CEC meetings** are available on the Moyne Shire web site, from **CEC members** or please contact Debra Dumesny on **0428 867 646** or by email debra.dumesny@globalpower-generation.com.au to request a copy of the minutes.

We encourage you to contact a **CEC representative** if you wish to bring concerns to the CEC for discussion, or if you would like to be included on the **distribution list** for the confirmed minutes and updates. **Contact details** for your local community members can be found by contacting the **Moyne Shire Council**.

Complaints Investigation and Response Plan (CIRP)

The **CIRP** has been endorsed and can be found on our <https://ryancornerwindfarm.globalpower-generation.com.au/> following the link **The Project>Relevant documentation**.

Complaints can be made in the following ways:

- ✓ **Phone:** 1800 457 181 or 0428 867 646
- ✓ **E-mail:** debra.dumesny@globalpower-generation.com.au
ryancornerwindfarm@globalpower-generation.com.au
- ✓ **Mail:** Ryan Corner Development Pty Ltd
Suite A, Level 3, 73 Northbourne Avenue, Canberra ACT 2601

Who's Who?

Simon Bussell -- High Voltage Operating Authority

Simon is the High Voltage Operating Authority for the Ryan Corner and Hawkesdale Wind Farms.

Simon grew up in Wangaratta before moving to Melbourne to complete a traineeship with the State Electricity Commission of Victoria. He has worked in the High Voltage Transmission, Distribution and Generation industry for over 35 years, working on over 30 Wind Farms across Australasia.

Simon moved his family to Warrnambool in 2000 and continued his work in the Power industry, focusing on renewable energy projects. He has performed multiple roles including Project, Construction, Commissioning, Design and Procurement Management. Simon has a strong technical focus but prioritises teamwork as the key to project success.
